Welcome to the second edition of Gem City Guide Vancouver, our own way of celebrating our amazing city and the wealth of incredible designers, craftspeople, and tastemakers who call it home.

Like many Vancouverites, we came here from somewhere else, falling in love with the nature and culture of the West Coast and weaving our own perspective into its social fabric. Every year, more new people are drawn to this place, bringing more new ideas, trends, art forms, tastes, and ways of expressing ourselves. With each addition, the city becomes that much more electric with growth and possibility—and that's what makes it so exciting to be producing a new issue of this guide, filled with even more of Vancouver's best places to shop, eat, drink, and dream.

Some of the places you'll find in this edition are long-standing icons of Vancouver, some are new iterations of an old favourite, and some are brand-new diamonds just waiting for you to discover them. We hope you'll visit them all, and along the way perhaps meet some new and interesting people—fellow Vancouverites who are creating the flavours and fashions that could only arise from a unique and inspiring city like this one.

BLACK + BLUE

One of the stars of proprietor Emad Yacoub's Glowbal Restaurant Group, Black+Blue re-imagines the steakhouse concept for a new generation. There's a reason they sell more steak than any other restaurant in Vancouver. The massive dining room is built around a custom-built meat locker, filled with the most exotic and precious cuts. Taking a cue from the restaurant's name, whether you prefer your steak black or blue, all cuts are prepared to perfection while being served alongside favourites like crab, caviar and oysters. It's the sexiest room and hottest vibe in the city. From a seat at the centre bar situated underneath the Tom Dixon-designed cloud of

gold, or a seat upstairs overlooking the scene, it's a three-storey temple dedicated to creating amazing experiences. The Roof, located on the 3rd floor, is Vancouver's largest rooftop dining destination specializing in beef, seafood and jerk chicken prepared in Canada's first and famed Jospir Grill.

魅力無限的經典牛排屋Black + Blue。享受頂級神戶牛肉、螃蟹、魚子醬、生蠔與牛小排。

BAUHAUS RESTAURANT

When international film producer Uwe Boll chose Vancouver as his family's home, he searched the city for the stylish, contemporary German cuisine he loved in his native land. Unsatisfied, the life-long foodie decided to create that modern European dining experience—on a grand scale. From opening day, Bauhaus has become one of Vancouver's most talked-about restaurants, for its minimalist urban glamour and innovative, satiating dishes from renowned Michelin-starred Chef Stefan Hartmann.

Taking advantage of similarities in the regional bounties of Germany and Vancouver, the seasonal menu focuses on local, organic

ingredients; house-cured meats and seafoods; and a range of B.C. game—along with deft takes on classic German favourites. To get the full Bauhaus experience, try Chef Hartmann's ever-changing tasting menu: a story for the senses, told course by course.

由國際電影製片人Uwe Boll與米其林主廚Stefan Hartmann創造的時尚當代德式料理餐廳。利用當地食材製作的德國料理，絕對是您得體驗的溫哥華特色餐廳。

NOTCH8 AT FAIRMONT HOTEL VANCOUVER

“Top notch”—the saying comes from notch 8, the uppermost speed of a perfectly running train. The reference is an apt namesake for the new restaurant and bar at Fairmont Hotel Vancouver, the iconic hotel founded when the railway first linked Vancouver with the world.

The renovated space is welcoming and stylish, but a keen eye will discover subtle nods to rail travel’s most romantic period, when the journey meant as much as the arrival. Intimate corners, glimpses of trunk buckles and safari prints, and the understated drama of Art Deco design come together for a revival of historic glamour that is rare in Vancouver. Stop in to

sample Chef Jason Saruya’s classic comfort dishes (the amazing rotisserie is a must), or craft a cocktail from the vintage martini cart to kick off an evening that could transport you to another era.

Notch8是火車在最高限速移動時的專用名詞。位於溫哥華二十世紀具歷史性的Fairmont Hotel Vancouver內，Notch8餐廳以古典車廂為靈感的復古風格將會帶您穿越時空感受大時代。

BUTTER BAKED GOODS

Almost hidden but far from secret, Butter Baked Goods is both a sweet-tooth destination and that rare breed of treasured neighbourhood meeting place that's all good conversation and no wifi. Founder Rosie Daykin—beloved for her two #1 best-selling cookbooks—creates honest, uncomplicated and delicious home baking with a witty twist that makes each treat as amazing to see as to eat. The Butter Instagram account draws thousands to swoon over the pretty shortbreads, bursting sandwich cookies, double-baked peanut-Nutella croissants, bright macarons and world-famous marshmallows on offer every day, but it's best to visit in person so you can taste

the pure nostalgia. There's lunch, too, for those wanting something more savoury, including a rotating menu of creative soups and quiches, as well as daily sandwiches featuring fresh breads from Gastown's Nelson the Seagull.

小社區裡的甜蜜秘密基地・Butter Baked Goods 充滿懷舊與讓人垂涎三尺的甜點小吃以及世界聞名的棉花糖。

BOULEVARD KITCHEN & OYSTER BAR

Located at the iconic Sutton Place Hotel in the heart of downtown Vancouver, Boulevard Kitchen & Oyster Bar pairs exceptional hospitality and gourmet cuisine with an extensive selection of wine and cocktails and true European ambiance.

Providing a distinctive showcase for the celebrated culinary vision of Executive Chef Alex Chen—who led Canada to a top-10 finish at the *Bocuse d'Or* in 2013 and captured gold at the 2015 Gold Medal Plates culinary competition in Victoria—Boulevard's seasonally inspired, seafood-focused menu offers up an impeccable balance of approachability and panache on both palate and plate.

Beyond the stylish, bistro-inspired dining room, Boulevard also boasts a seated oyster bar, craft-cocktail and champagne bar, private dining quarters, expansive wrap-around outdoor patio, and the luxurious, vintage-style Gerard Lounge.

Whether it's early morning, Happy Hour, or late-night service, Boulevard offers a truly distinctive and unparalleled dining experience for both residents and visitors alike.

FAUBOURG BOULANGERIE PATISserie

To French history buffs, the name Faubourg may evoke layers of meaning—ancient villages; the reign of Louis XVI; the bread bakers who fed a revolution—but Vancouver's three Faubourg boulangeries-pâtisseries are note-perfect slices of today's Paris, not the Paris of postcards. The bright, urban cafés, each with unique twists of modern Parisian design, welcome you in with glass counters laden with buttery croissants, irresistible pastries, quiches and sandwiches, and crisp French breads, all crafted fresh on site, right down to the house-made ice cream. For the full French experience, try the afternoon salon tea at the Kerrisdale location:

an expert “tea sommelier” guides you through a range of exclusive Mariage Frères blends, then pairs your choice with perfect bites in savoury and sweet.

古典法式咖啡館在Faubourg麵包糕點屋完美重現。新鮮糕點搭配限量法式花茶，讓人享受生活的浪漫下午茶。

HAWKSWORTH RESTAURANT

Each year since it opened, one restaurant has consistently brought home some of the city's most prestigious awards: Best Upscale Restaurant, Best Chef, Best Wine List, Best Service, Cocktail of the Year. The accolades are a side product of Chef David Hawksworth's larger vision: to create an experience for diners that is fresh, satisfying, and top-of-class every time they visit.

Sitting in one of the four elegant rooms and looking out on the bustling street and Vancouver Art Gallery beyond, you feel like you could be in Boston, or London, or Paris. But Hawksworth's dishes are all about the defining

cultural diversity of British Columbia, and about locally sourced and seasonal seafood, meats, forage and harvest. The menu is ever-evolving, but consistent with Hawksworth's signature style: an emphasis on colour, texture—and, always, flavour over flash.

Hawksworth Restaurant是溫哥華屢獲殊榮的美食餐廳。優雅的設計搭配依季節與本地食材更換的菜單、獨一無二的鮮豔且層次感豐富的時令性菜餚。

ROSEWOOD HOTEL GEORGIA

The jewel of Vancouver's Roaring Twenties has been brought back to full shine at last. Rosewood prizes each hotel's sense of place—evident in the Rosewood Hotel Georgia's walls of local art and epicurean adventures to nearby Stanley Park and Granville Island—but, here, it also honours a sense of history: walking into the perfectly restored lobby, you can imagine past guests like Marlene Dietrich gliding down the grand staircase or waiting at the elevator with her famous 40 suitcases.

That Jazz Age opulence continues downstairs in Prohibition, the hotel's buzzed-about new cocktail bar, while in the ethereal fourth-

floor outdoor Reflections lounge and the acclaimed Hawksworth restaurant, the feeling is timeless modern. The rooms, too, are modern and expanded—1920s standards were deco-cool but decidedly snug, so the hotel has thankfully embraced the more plush and spacious 21st-century demands of luxury.

完美重現溫哥華咆哮的二十年代風格旅館。享樂主義的延伸、二零年代爵士風酒吧、經典現代風美食餐廳、既復古又豪華舒適的客房。

STAR LIMOUSINE

It can be hard to improve on any stay in the beautiful West Coast—unless, that is, you can smooth your way in elegance and style with an impeccably professional car service. Whether it is a transfer from A to B or a customized sightseeing tour, wherever you need to go in the Pacific Northwest, Vancouver's chauffeur of choice will make getting there as delightful as being there.

Want to whisper up to Whistler in a Tesla or 4x4 SUV? Tour to Victoria or Seattle in a luxury Mercedes S-Class or Sprinter Van? Or maybe you just want to start and end your visit with the nicest airport transfer you can experience. With

each booking, corporate or private, you'll be assured a skilled and knowledgeable chauffeur, the newest and best vehicles, and all those little extra details that turn a good experience into a great one.

Star Limousine 提供專業私人司機與最新的豪華轎車，讓您的旅程更優雅更舒適。

FORAGE

The busy West End may not bring lush pastures to mind, but Forage will have you thinking of the fields as you savour each tasty small plate. Every detail at this complete farm-to-table restaurant is a sustainable story, from the leather on the seats to the power for the blender, and each ingredient begins with a local farmer, fisher, or forager. The meats are wild game, the mustards are in-house, the beer and wines are Cascadia crafted—even the whiskey and gin are locally distilled.

Chef Chris Whittaker has accomplished a life-long vision of dining green, but the resulting flavours are gold. Pair his plates with Forage's

fun, informal atmosphere, backyard patio, and cheeky events like the Hair of the Dog Happy Hour or weekly Meat Draws, and this is a spot no forward-thinking foodie will want to miss.

位於West End的Forage是每位綠色飲食愛好者不容錯過的餐廳。從皮質椅子、蔬菜、鮮魚、醬料、到威士忌酒，它們從裡到外都保持環保與當地化的概念。

THE BELMONT

Amid the nightclubs and burger bars, The Belmont is bringing a refreshing hit of substance back to the famous Granville Street strip. The bourbon bar's warm, sexy and eclectic update of a historic, 100-year-old room at Granville and Nelson has returned that sense of grown-up dining and dancing to downtown, with a comfortable, lively atmosphere that carries happy-hour drinks into all-night fun as the live R&B and soul music kicks in and time flows away.

Fine bourbons and whiskies are a specialty, but there's also an incredible range of craft beer and wines on tap, plus creative cocktails from award-winning head mixologist Daniel Branson.

Don't forget to pair and share from the well-chosen menu of satisfying tapas-style plates, like braised beef short ribs, warm Swiss pretzels and mustard, or locally made artisan sausages with brioche.

The Belmont 波本威士忌酒吧位於溫哥華百年歷史建築物內。舒適輕快的環境與現場R&B靈魂音樂搭配上等的波本與威士忌。

BLUE WATER CAFE + RAW BAR

If you want fresh seafood prepared to its finest, this Yaletown mainstay is a must-visit. With its innovative dishes and focus on local and sustainable food, Blue Water Cafe is consistently voted the best seafood in Vancouver.

Within one of Yaletown's finest brick-and-beam heritage warehouse conversions, two open kitchens face off to create a theatrical "East meets West" atmosphere that puts Blue Water Cafe's world-class chefs in the spotlight. Sit right up at the dynamic raw bar, or take a table to indulge in one of executive Chef Pabst's applauded plates, from the impressive seafood tower to his signature sablefish dish.

If you like to try new tastes, visit in February for Blue Water Cafe's annual "Unsung Heroes" sustainable seafood festival. And whenever you go, don't forget to sample from a wine program that has won both the Award of Excellence from *Wine Spectator* and the platinum medal from the National Wine Awards.

Blue Water Café 具有不凡的室內設計與開放式的廚房搭配本地及公平貿易食材。它有溫哥華最鮮美的海鮮與卓越的葡萄酒珍藏。

NUBA

From the moment Victor Bouzide started serving his grandmother's Lebanese recipes from a cozy nook on Hastings Street, Nuba became a Vancouver mainstay. Today, with the visionary partnership of Ernesto Gomez, the restaurant's unique, beautiful spaces are serving up delicious Mediterranean comfort food and inventive cocktails across the city.

The timeless dishes that form the foundation of Nuba's menu are almost magically suited to the modern, multi-influenced West Coast, making it a favourite for group hangouts or catering. With a focus on hormone-free, local, and fresh (you won't find a can opener in any of their

restaurants), there is something to please everyone: halal or gluten-free, picky eater or adventurer, vegan or carnivore. Share some mezzes, try a classic falafel or crispy cauliflower, or let the kitchen surprise you—the creative fresh sheets change daily at each location.

Nuba餐廳是由Victor Bouzide開創的黎巴嫩與地中海料理餐廳。它們採用本地的食材製作出風情萬種的料理。Nuba獲得許多當地人的喜愛。

CULMINA FAMILY ESTATE WINERY

In 2006, one of Canada's pre-eminent wine families returned to B.C., guided by their passion for *terroir*. After years of careful stewardship of land, fruit, and process, their wines reflect the poetry behind the name Culmina: the pinnacle of three lifetimes of experience in the wine industry.

Don and Elaine Triggs and their daughter Sara selected virgin land on the Okanagan's Golden Mile Bench for its unique *terroir*, with mineral-rich soils and ideal climate. The vineyard was planted following rigorous analysis, resulting in Hypothesis, their powerful and ele-

gant red Bordeaux-style Blend; Unicus, from the rare Austrian variety Grüner Veltliner; and Dilemma, made from Chardonnay vines planted at a cool 595-metres elevation. The ensuing critical praise has led to many quick sell-outs; if you find these distinctive wines on the shelf or on a visit to the family estate, act quickly.

加拿大頂尖的葡萄酒家族於2006年在B.C.省的Okanagan開始了新的葡萄莊園。經過多年的在地風土管理與研究，他們終於推出了一系列的Culmina葡萄酒。喜愛葡萄酒的你，絕對不可錯過！

ARC RESTAURANT & BAR

ARC, the stylish and comfortable new lounge at Fairmont Waterfront, has become a buzzy spot to meet and eat, with warm live music, a wrap-around summer patio, and gorgeous peeks of the harbour through its curving sweep of windows. Chef Alessandro Vianello's urban artisanal cuisine is a true hit, whether for a relaxed dinner or for share plates to pair with friends and some stellar craft beer. Go-to dishes like home-smoked brisket, award-winning seafood chowder, and the crowd-pleasing "Beast Board" have put Chef Vianello in the spotlight, both for his skill and for a commitment to traceable and local that goes a step further: many ingredients

are grown right upstairs, in ARC's own massive rooftop garden. Drop by at Happy Hour for a bite—you'll soon see why this chef was one of three picked to represent Vancouver in the current season of *3 Chefs, 1 City*.

ARC 是Fairmont Waterfront內最新的餐廳，其主廚Vianello使用自家餐廳的屋頂農園栽種新鮮食材搭配輕鬆舒適的環境與現場演奏音樂。Vianello主廚更被選為電視節目3Chefs, 1 City中代表溫哥華餐飲主廚之一。

SHAUGHNESSY RESTAURANT

The map may place it in the centre of Vancouver, but Shaughnessy Restaurant feels worlds away from the city. Looking out through the windows from the warm, wood-beamed interiors to the light-strung reflective pool and lush greenery beyond, you would think you were in a fairytale garden or country retreat. And, in truth, you are.

This unmatched setting in the famed VanDusen Garden—combined with Chef Sean Sloan's contemporary West Coast cuisine—has made Shaughnessy Restaurant a local favourite for weddings and special occasions. (The restaurant even staffs its own whip-smart events management team to ensure everything

goes off without a hitch.) Meanwhile, the fantastic summer patio, seasonal menus, fresh, garden-themed cocktails, and cozy, romantic atmosphere keep a happy crowd of regulars coming back for a taste of their own not-so-secret urban escape.

藏於溫哥華的都市花園內，Shaughnessy Restaurant會讓您感覺身在夢遊仙境或是鄉村度假屋。它們的專業服務與新鮮食材搭配溫暖的氣氛是熱門的婚宴與特別節日最佳選擇。

ROYAL DINETTE

Standing out in the city's business core, a celebrated new restaurant is bringing back an era when simple, satisfying food was combined with a sense of occasion. Day or night, Royal Dinette recalls the lost heyday of the stylish diner, the classic *Nighthawks* world of good company, sparkling cocktails, and beautifully produced dishes in a casual, yet uplifting, environment.

Chef David Gunawan takes the concept even further with an exacting commitment to the farm-to-table ideal and a menu that is sustainable in every aspect. Local blackberries become a house-made jam; blueberry skins may

become a delicious cocktail shrub. Combine Chef Gunawan's fresh, local, and seasonal focus, a progressive wine program, house-made pastas, and a lively and popular Happy Hour, and it's no wonder that Royal Dinette has been welcomed as the true upscale casual downtown Vancouver has long waited for.

有別於一貫位於市中心的商業餐廳，David Gunawan主廚專注於簡單飽足又別具特別的美食。輕鬆又充滿精神的環境配上新鮮的當地佳餚是您在市中心的好去處。

THE RAWBAR AT THE LOBBY LOUNGE

Tucked into the ultra-hip Lobby Lounge at Fairmont Pacific Rim, Chef Taka Omi's RawBar is serving up rave-worthy art on a plate. Here, no fine point is neglected, from the locally made soy sauce and fresh wasabi root to small-batch sake from Granville Island's own artisan sakemaker. Look beyond the plate, too, to take in more astonishing details: an origami-inspired Fazioli piano, Bob Dylan lyrics underlighting the tables, even the bright orange chopsticks that make every bite special.

Take a seat at the interactive sushi bar for Chef Omi's piece-by-exquisite-piece omakase experience, or join friends to share a few signa-

ture plates, like fresh oysters or the house-cured sablefish motoyaki roll. Enjoy it all more knowing everything is sustainable—The RawBar was the city's first restaurant to be 100% certified by the Vancouver Aquarium's Ocean Wise conservation program.

藏於Fairmont Pacific Rim的Raw Bar由Taka Omi 日式主廚將每樣美食變成盤子上的藝術。本地製作的味噌、醬油、米酒與新鮮芥末會增加您的壽司料理體驗。

PROVENCE MARINASIDE

Fresh, chic and romantic, Provence Marinaside is part refined Marseilles, part relaxed Vancouver—and all warmth and welcome. Founders and chefs Jean-Francis and Alessandra Quaglia have built a slice of Southern France along Yaletown's bustling waterfront, offering Mediterranean-inspired French cuisine with a focus on seasonal and local product. With signature crab and lobster dishes, you'll find omelets and Benedicts, Nicoise salad, Dijon-crusted rack of lamb, West Coast-style bouillabaisse, and double-tiered platters bursting with consummately prepared seafood. On sunny days, the glass patio walls open up, bringing the outside in and

creating an ideal spot to watch boats in the marina, cruising cyclists, and locals walking their dogs on the seawall. You'll definitely want to get yourself something to sip, too; with 48 wine varietals on tap from their dramatic "wine wall" plus an additional 90+ wines by the glass, Provence Marinaside has a wine-by-the-glass program like nowhere else in the country.

新鮮、別緻、浪漫。Provence Marinaside是優美的法國馬賽與輕鬆自在的溫哥華的結晶。以地中海為啟發的法國料理搭配靠海的美景是夏日的好去處。

CABRITO TAPAS & BEBIDAS

Taking a hard left from the hectic Michelin-starred restaurants of Paris where he earned his stripes, Chef Alexandre Carriere has embraced laid-back Commercial Drive, launching a cozy homage to the mountains of Catalonia that framed much of his youth. Here, he serves up traditional Spanish tapas with a hint of French influence and a foundation of pure, West Coast ingredients—paired with craft brews from Brassneck, Spanish wines and cocktails, and enlightening sherry flights that are making new fans of the drink.

With live guitar on Sunday nights, a social summer patio, smash-hit weekend brunches,

and a sustainable menu with plenty of gluten-free/vegan/vegetarian options (try the clever “beet” tartare), Cabrito is an escape from the stress of the driven city. It’s a place to slow down, meet good friends, and spend an hour—or an evening—on Spanish time.

由巴黎米其林餐廳轉戰溫哥華的Alexandre Carriere創立了西班牙餐廳Cabrito。料理人的家鄉傳統西班牙料理帶有微微的法式風格與新鮮西岸食材。

SECRET LOCATION

Don't try to pin down a definition for Secret Location—understanding Gastown's unique concept shop is all in how you experience it. The “secret” in the name is not about exclusivity, it's about the personal revelations you discover each time you visit: over a slow, Napoli-perfect coffee; admiring the thought-provoking fashion, beauty products, and home accessories; coming across an amazing new magazine; or just spending hours with friends enjoying a tasting menu that will never be the same twice. Look for quirky finds, too, like House of Holland nail art; smart books from Phaidon and Assouline; cute Yazbukey clutches; china teacups from Richard

Brendon; and more every visit. As upbeat and unpretentious as much as it is fresh and inspiring, Secret Location is a be-in-the-moment, *Alice in Wonderland*-style escape—a fun step away from the everyday.

位於煤氣鎮的Secret Location的概念是讓您每一次造訪都有全新的體驗。愛麗絲夢遊仙境的逃脫感與活在當下兩者之間的清爽體驗。

York, Los Angeles, Toronto, Paris, and beyond—meaning multiple visits are mandatory to make sure you never miss a find. Through their unique and well-curated lifestyle concept stores, The Latest Scoop puts the fun back into the shopping experience.

WARDROBE APPAREL

“You have such different things!” It’s something Alex Thompson and her team at Wardrobe Apparel hear often from women who first wander in. It was providing exactly that—a different take on what it means to be fashionable in Vancouver—that led Alex to open WA, after experiences abroad made her realize how much more engaging shopping could be.

Working with world designers like Greta Constantine, Fyodor Golan, Chelsea Paris, and Imogen Belfield, Alex sources lines that mesh well together and that fit WA’s “shop less, choose well” values: ethical production, small runs, and lasting style that makes each piece an

investment. Those who shop online get 24-hour delivery within the city, but visit in person if you can. The relaxed, social environment is a great place to connect with other fashion-lovers, and to discover more about your own sense of style.

你們的東西都好獨特! 這句話是女性客人進店之後常常給的稱讚。Wardrobe Apparel的座右銘是【買少一點, 選好一點】, 讓每一件衣賞都是長期投資。

BOBOLI

Those with discerning taste know that style begins with fit, quality, and comfort. With a 30-year history of providing exceptional service to its clients both locally and globally, Boboli offers personal consultation that makes looking for a pair of jeans or a cocktail dress an experience rather than a chore.

Situated in Vancouver's South Granville shopping district, this luxury boutique carries an exquisite collection of clothing and accessories for women and men. Lines range from the timeless, such as Valentino, Issey Miyake, Missoni, Loro Piano, and Etro, to the coveted, like Stella McCartney, Giambattista Valli, Rosetta

Getty, and Neil Barrett. With its 2014 redesign, the shop is luxuriously bright and airy. Though the grandeur of the space is apparent, the experience of shopping in Boboli is relaxed yet intimate, with the exceptional and knowledgeable staff there to guide you in finding your next favourite piece.

獨具慧眼品味的人都知道時尚從合身、品質與舒適開始。具有三十年歷史的精品店與私人顧問服務，不管是一條牛仔褲或雞尾酒裙，Boboli會讓購物從差事變成體驗與享受。

SLS JEWELLERS

A diamond sits at a strange confluence: passion, love, longevity, beauty—and investment. It can be an emotional purchase, so confidence in your stone—knowing it is the right cut, the right colour, the right quality, the right setting—is critical. SLS Jewellers launched last year to provide that confidence with a unique model that is new to Vancouver: an office, not a store; luxury service with no retail overhead; and the ability to source any precious stone, from anywhere in the world, at the lowest possible price.

SLS specializes in GIA-certified diamonds and uses a team of skilled goldsmiths who create custom settings by hand. More importantly,

the experienced buyers empower you with education—so you can see for yourself that you are getting the best diamond you can, whatever your budget.

SLS珠寶商不是一間普通的珠寶店，他們提共的是私人的豪華珠寶服務。全世界最好的鑽石與珠寶都在這裡聚集一地。

REVOLUCION CIGAR & FINE GIFTS

Revolucion caters to a special breed of West Coast man—one who takes genuine pleasure in well-crafted things, but who has no time for rigidity or officiousness. The shop proves it is possible to honour the charm and quality of the classics—cigars by Cohiba, H. Upmann, and Partagás; wallets from Tumi and Secrid; '60s-inspired watches from Timex Original—while turning stodginess on its head with affordable prices and a hip, gregarious atmosphere.

Imagine a friendly neighbourhood barber-shop, but without the barbers. In place of a haircut, you can pop in to Revolucion for a scotch tasting, or for one of their regular cigar-rolling

demonstrations. You'll soon be planning more visits, and stocking up on your new “needs,” like Edwin Jagger shaving sets and lotions, Penhaligon's fragrances, and all the best picks you just spotted in the latest issue of *Wallpaper* or *Monocle*.

踏入西岸紳士的世界，體驗低調奢華生活。雪茄、皮夾、手錶、威士忌、古龍水，紳士精品包羅萬象，各個都經過精心挑選。

SHOES2GO

When Nick Cruciat founded Shoes2go—first online and now in a luxe new South Granville storefront—he wanted to upend the “Wet Coast” thinking that only party shoes should look fabulous. Nick and his wife Joanna develop deep relationships with artisan shoemakers in Europe, South America, and across the globe to source beautiful, unique footwear—along with bags, belts, and jewellery—you won’t see anywhere else in Vancouver. Think: Accademia di Venice, Joaquim Ferrer Barcelona, Chani B Portugal, Conhpol Poland, Ferracini, Capodarte & Carrano Brazil, V-Italia, Altura Siete Mexico, and many more, all brands with generations of

experience that bring killer style to the most walkable, wearable designs. As Vancouver’s own “shoe guy,” Nick hand-picks and tests every shoe, with nothing mass produced, no synthetic materials, and all ethical production. Tell him where you want to go, and he’ll find you the right fit—so you can arrive in your perfect match for comfort, colour, and authentic personality.

Nick Cruciat於創立Shoes2go，抱著提供美麗獨特與實用鞋品為目標，他與世界各地的鞋匠與品牌合作將高品質鞋子帶入溫哥華時尚圈。

CICINO

The concept of fashion maven and venture capitalist Min Kuang, CICINO has brought the European approach to luxury living to Vancouver—both wearable and refined, with just a hint of avant garde. Find names like Kenzo, Pascal Millet, Blugirl, and Sergio Rossi, alongside gowns from Mikael D and Reem Acra, handmade men's shoes from John Lobb, and jewellery and accessories from names like Oscar de la Renta and Shourouk. Everything you see is available to own—the couture, the artwork, the custom Italian furniture, even the wallpaper—but CICINO is more than a retail boutique. The bright heritage space, featuring warm

wood details and two mezzanine levels, forms a sophisticated backdrop for the high teas, trunk shows, receptions, and special cultural performances held regularly for VIP clients. It's about bringing good things to your life in full spectrum: distinction, style, connection, and experience.

CICINO精品店匯集了歐洲的高質品牌，精緻實穿風格帶有微微的前衛風格。店裡的時裝、藝術、義大利特製家具、甚至是牆上的壁紙，只要是您喜歡的物品都可以購買。

DURANT SESSIONS

Nothing says more about you than your glasses—bold, colourful, or refined, they are the first thing people notice, and they frame the eye contact that is the soul of human connection. At Durant Sessions, an eyewear store unlike any other in Vancouver, these ideals are put into action, not just in the handcrafted, carefully selected brands they stock—names like Oliver Peoples, Eyevan7285, and Jacques Marie Mage—but in every detail of the space, and in the community they create. At a massive central table, opticians and clients sit side-by-side; neighbours and passersby stop to chat, to play an album, or to ask about the fascinating

tools and colour pots used to customize tints or finishes. In all, it's a store that values outlook: both in how people see, and in how they want to be seen.

大膽、彩色鮮豔或是文雅風格，眼鏡框住了生命之窗。Durant Sessions不只有多樣精品眼鏡，店裡更進一步的建立友善社區環境，讓客戶與店員可以輕鬆的交流。

CF PACIFIC CENTRE

Vancouver's premier shopping destination isn't just *in* the heart of downtown, it *is* the heart of downtown. Stretching underground between Howe and Granville from Robson Street to West Pender—and connected to all three Skytrain lines—CF Pacific Centre is home to 100 shops and restaurants, including heavyweight luxury retailers Nordstrom, Holt Renfrew, and Harry Rosen, first-in-Vancouver locations for Ted Baker London, Sephora, AllSaints, and Massimo Dutti, and hot international brands like kate spade new york, Pomellato, Hugo Boss, Stuart Weitzman, Apple, and Michael Kors (not to mention great restaurants and specialty food

shops). Use the free wifi to download the CF SHOP! app or just text 604-449-0070 to receive insider tips and sale alerts. If you're a visitor to Vancouver, stop by the info desk for a Jet Set card—you'll get access to special promotions for participating stores.

CF Pacific Centre 溫哥華指標性地下商街連接了三條捷運線與100多間一流的國際品牌、新興品牌、百貨公司、餐廳與特色食品店。

LBV LIFESTYLE

Live beautiful—it's the philosophy that guides sisters Tracey Wikenheiser and Lesley Ord in selecting items for their tightly edited—and yes, beautiful—lifestyle store, first founded in Kelowna and now open in Gastown. For Tracey, an interior designer, LBV is a creative expression, and in a city of retail giants, she seeks out only rare, distinctive products that tell a story and uplift the everyday. LBV is often the first in B.C. to stock celebrity-prized lines, like denim from Schoen by Yu or the organic jewellery of L.A. stylemaker Clemmie Watson. Be it a hand-painted pillow from Alexandra Foster, headphones from Friends, lighting from

Arteriors, or a bag from local designer Mezzi, each item is featured because it evokes an emotion. Together in gorgeous arrangement, LBV's collection is pure inspiration; a feeling for you to bring home to your own beauty-filled life.

LBVLifestyle的宗旨、美麗生活。稀有獨特帶有強烈故事的服飾與家具，經常是溫哥華的時尚先驅。

BLUSH BRIDAL

Trying on a bridal gown: it's an emotional experience, one steeped in pressure and high expectation. For more than 10 years—first on the North Shore and now in a chic Parisian-style Yaletown salon—Blush Bridal is preserving the dream in that experience, helping brides realize their vision, uncover what they truly want, and find joy in making their life's most momentous clothing decision. Along with important details like lingerie, jewellery, headpieces, belts, and bridal party gifts and accessories, Blush carries only exclusive couture names, designers like Vera Wang, Berta, Rosa Clara, Hayley Paige, and Alvina Valenta who think outside the

typical silhouettes and who work only in fine materials like silk, organza, and chiffon. Make it your first stop after you set the date: with a half-hour consultation, they can connect you with all the right people to start creating the wedding you imagine.

BLACK2BLOND

Four years ago, the popular Kitsilano hair salon established a partnership with a progressive, holistic European hair, cosmetic and skin-care company, La Biosthetique.

Sharing a Total Beauty vision, the union has evolved into a combined flagship and North American academy for La Biosthetique. The salon has since grown as home to celebrated stylists such as Dylan Beatch, the first Canadian to win the La Biosthetique International Beauty Style Awards in Paris, 2015.

For clients, the fruitful partnership fuses European excellence with West Coast, Canadian culture. Your experience is guaranteed to be one

of style and holistic escape; complete with aromatic tea, infused hot towel, and soothing hand cream. Every hair appointment includes an expert skin diagnosis, head massage, scalp conditioning and personalized make up using the complete La Biosthetique make up stand. Spa services are tailored specifically to individuals, including an in-depth consultation; quintessentially, expect a Total Beauty experience.

Black2Blond於五年前開設，內設的美容學校La Biosthetique Paris締造了世界級專業的理髮師Dylan Beatch。它從頭到腳的美容服務是您最佳的紓壓綠洲。

CAPELLI SALON D.MARTINO

Capelli Salon d.Martino is a proud member of Vancouver's family of La Biosthetique salons. Founded on the concept of CANI—constant and never-ending improvement—David Martino, a Sassoon certified instructor and master colourist, and his wife and business manager, Tania, have built a happy, green and ego-free salon culture. Having nurtured a collection of top styling talent in the city, the team believes in strengthening their artistic process through a solid base of discipline and technique. This concept has led to Capelli Salon stylists training regularly with luxury European brand La Biosthetique. Through the use of natural restor-

ative therapies and subtle colour techniques, every client leaves with their hair exactly how they want it. The tailored focus on service also means clients, at every price point, can enjoy Capelli's full star treatment; starting with herbal tea and scalp massage, to being escorted with an umbrella on a rainy day.

HEADSPACE HAIR SALON

A bright, bijou, downtown salon, Headspace has built a decade-plus reputation proudly on communication. Stylists listen to exactly what their clients' wishes are, ensuring every client walks away fulfilled. Expect owner Julie to personally greet everyone who enters her salon. Similarly, prepare yourself to be a part of a family atmosphere. As part of the growing La Biothetique family, Headspace prides itself on having strong community values. The salon regularly gives back to the community via the Green Circle program and events such as RED: A Positive Day. The salon also shares La Biothetique's commitment to natural,

nurturing products, which focuses holistically on bringing out the best in both hair and scalp. In essence, Headspace tailors to individual style, health, and strength; a Total Beauty approach, which they believe is the true foundation for beautiful-looking hair.

位於市中心的HeadspaceHairSalon的造型師們各個專業與友善。開放與活潑的環境讓客人與造型師們自由得談論時事與互相給予造型意見。

SUKI'S

In 1972, when Suki Takagi opened her first Vancouver salon, her focus on technical skill, easy-care cuts, and empowering the client was seen as a game-changer. From that first South Granville location (now housed in a beautiful Arthur Erickson building commissioned by Suki herself) she soon expanded to Kits, Downtown, Richmond, and Morgan Crossing in South Surrey—and, this year, launched her first generalist salon, Pop Opera, in Yaletown.

Suki's salons, spa, and academy are all still family-run, fiercely committed to groundbreaking service, and demanding of stylists, with more hours of advanced education

required than most undertake in their career. That knowledge allows each to develop their unique craft, and to understand every client's bone structure, colouring, and personality. It's an international-award-winning approach that is still setting the pace for salons across North America.

Suki Takagi於1972年開創了她第一間沙龍。她的專業服務與簡易整理的髮型改變了溫哥華的沙龍風氣。

18TH AMENDMENT BARBER SHOP

A single vintage barbershop chair can embody an era: speakeasies and rum runners; back-room sit-downs and the rise of jazz. So it's no surprise that the discovery of an authentic 1920s chair would inspire a Gastown barbershop that honours that spirited heritage while uniting it with Vancouver's own modern West Coast style.

This is the place to try a hot-towel shave, shape your logger's whiskers into something more dapper or get a simple, expert cut by a knowledgeable barber. And, like its forebears, 18th Amendment is a place to make connections, with samples of Strange Fellows micro-brews on site for clients and community events like

whisky tastings. While there, pick up some exclusive-to-Vancouver brands, like Schmiere from Germany or Australia's Bearded Chap, and keep your new look barbershop neat.

WHITE ORCHID REJUVENATION CENTRE

The chic Yaletowners coming out the door may seem to have that post-spa shine about them, but White Orchid is far from the typical salon. Spare and unfussy like its namesake flower, the clinic focuses on one thing: using advanced laser technologies to bring out your healthiest, most glowing skin. Here, there are no technicians or aestheticians; the staff are medical doctors, who consult with each client for a personalized skin-care plan. Laser hair treatment, age spot and vein removal, LED therapy, and more cosmetic and rejuvenating specialties are on offer (for instant results, the popular hydrafacial is a must-try). Don't be surprised to spot a famous

face—Zoey Deschanel, Kristy Swanson, Lily Rabe, and other visiting luminaries have all trusted White Orchid to help keep their star-power radiance in full glow.

STORM SALON

Hair trends may come and go, but when you've been in the business for 20 years, it's the relationships that last. Relocated five years ago to Chinatown, the new Storm pairs an airy modern vibe with eclectic chinoiserie-influenced details that reflect its new heritage surroundings.

The space maybe bigger, but Storm is still the same friendly, close-knit family of six stylists, plus owners Lisa and Alix. The salon offers conscientious and on-point styling and colour, while continuing to be committed to using and retailing only sustainable products with naturally derived ingredients, including

ammonia free colour from Davines, all-natural skin care from John Masters, Aveda hair care and colour, and organic skincare products for baby and mothers-to-be from Erbeviva.

歷史悠久的Storm Salon從市中心遷移至中國城。他們是由六位好似家人的髮型師所組成而20年來堅持使用健康環保的產品。

MIRAJ HAMMAM SPA

The practice of *hammam* was once called “the silent doctor”—an essential ritual that cleansed the skin and revived the soul. Sixteen years ago, Miraj Hammam Spa brought this eastern art to Vancouver by merging the *hammam* experience with the best elements of a luxury spa. The result has been so successful that in 2012 they expanded east, after being asked to become the official spa operators at Miraj Hammam Spa at the Shangri-La Hotel Toronto.

Within the marble walls of Miraj, under the cover of medicinal steam, pores open, limbs relax, and the mind awakens. A full-body scrub using traditional Moroccan black soap comes

next, followed by an expert massage to leave you glowing and energized. Make sure to take time afterward to relax in the sultan's lounge—the complimentary tea and delicious sweet cakes simply complete the voyage.

Miraj Hammam 結合了土耳其蒸汽浴與水療美容，讓您享受清潔皮膚與復活靈魂的中東洗浴習俗。傳統摩洛哥黑肥皂與專業按摩讓您恢復精神。

SALON DE NUVIDA

An international salon founded on the concept of being close to nature, Salon de Nuvida is a true fit for a Pacific Rim city on the coast. As part of the Aveda family, the staff and founders strive to care for the world they live in, from the products they use to how they connect with their community. The focus here is on constant education, mastering international trends, cuts, and colour methods, and building these looks on a foundation of healthy hair. Aveda plant-based botanical therapies are paired with carefully selected Ayurvedic repair treatments, and popular digital perms and straightening technologies that produce glossy, smooth hair requiring

minimal maintenance. It's a hip, relaxed environment, complete with organic teas, a calming private shampoo room, and unhurried head massages—all designed to make you love being there, and leave feeling great.

Salon de Nuvida的韓文含意是環遊世界，而它也代表這間沙龍團隊的多國背景與專業訓練。他們不停地引進多國的潮流髮型加上店裡的紓壓環境一定會讓您多次造訪。

OPUS SALON

There's a progressive French flair to Opus Salon that extends far past the chic chandelier in the foyer. The owners, Jessica and Ludo, were trained in Europe, and they run their salon under Parisian principles, with an emphasis on fashion-forward styling and perfection in the finished look. (This continental thinking extends to the environment: Opus is 100-percent ammonia-free and participates in the Green Circle salon recycling program.)

Jessica, a certified colourist, is an expert in the latest methods of free-hand highlighting, while Ludo—certified in design and finishing—is a member of Canada's exclusive Redken

Artistic Team. Together, they train their team in a personalized, current approach that keeps each client both on-trend and uniquely their best self. Aesthetic services are also available—call or check the website for the spa menu and schedule.

COUNTRY FURNITURE & CF INTERIOR DESIGN

If you've never looked inside Country Furniture, you're in for a surprise. The family-owned business keeps the folksy name to honour the father who founded the brand, but today, the CF style philosophy reaches much further. Look for pops of on-trend colour, a bright contemporary section, and luxe sofas from lines like Eilersen, Lee Industries, G. Romano, and Brentwood. If you see something you love, take it home to try it out, or let the CF style team help you tie it together with a fresh new vision for your space.

Of course, you'll still find plenty of the antiques and organic rustic influences that have built the CF brand for almost four decades—and

make sure to venture downstairs to see the ultimate man-cave. The connecting theme is quality: hand-chosen, home-healthy investment furnishings that make a statement, and that last.

Country Furniture時尚的色彩、明亮的現代風格、豪美的沙發品牌。一貫的品質，精心挑選與獨具一格又持久的家具。

KOZAI MODERN

Kozai means “hard wood”—a material at the intersection of Japanese, Scandinavian, and West Coast modern design. Focusing on the clean lines, simple functionality, and attention to meticulous craft that unite these three aesthetics, the Kozai Modern gallery sources hardwood furniture and lighting handcrafted by independent artists in Vancouver and Japan.

This is a gallery for those seeking a connection with the pieces they bring into their homes: knowing the local artisan behind the design, appreciating the warmth and texture of responsibly sourced natural materials, and being part of the design process itself. Gallery partners

Ron Cromie and Hideki Shimizu work closely with their clients, helping them to envision their custom designs and ensuring that each piece is right for their home and lifestyle.

Kozai的涵義是硬木。Kozai Modern藝術廊專門蒐集溫哥華與日本頂級木匠的硬木家具與燈光家具。

BOCONCEPT

In 1952, two Danish cabinetmakers, inspired by a wave of design innovation, launched a unique furniture company driven by modern functionality. Sixty years later, the BoConcept model of beautiful, usable Danish design has spread across the globe—including Vancouver's own store just outside the Armoury District.

The genius to BoConcept is customization: take each elegant piece as it is, or work with a consultant to make it your own with hundreds of choices for fabric and detail. You'll even be shown how the lighting in your home affects its appearance, so you can be confident in your choices. Every item in the store—from furniture

and lamps to rugs and accessories—is exclusive to BoConcept and designed to work together, so you could outfit an entire contemporary home, and still be utterly unique.

BoConcept是本地的北歐簡約時尚家具店，你可以依自己的喜好訂製每一款家具來展現自己的獨特風格與品味。

MÉLANGE

On a leafy stretch of Burrard Street, just south of Davie, a tiny home decor shop is bringing big personality to small-space West End living. Each gorgeous item—accessories in gold and black; vintage-style side pieces; works by local artists—is hand-selected to be a perfect, apartment-sized accent, and trim, condo-friendly custom furniture can be made to order in any size or fabric.

The shop's personality shines in chic home-decor items and display-ready picks like exquisite candles from Mine Design, Ester & Erik, and Bella J (yes, the famous ones with the hidden charms inside) or nourishing, handcrafted

soaps and body treatments from Sweden's L:A Bruket. Add a full range of clothing-care products from New York line The Laundress and Mélangé becomes the ideal neighbourhood go-to, whether for that perfect gift, or that little find that makes a space your own.

Mélangé位於溫哥華西端區，小小的店面卻有別具一格的個性家具商品。適合尋找小公寓家具與個性小禮物的你。

MOE'S HOME COLLECTION

A quarter century ago, Moe Samieian founded an eclectic home design store, offering Vancouverites great furniture in a stress-free environment. Today, Moe's flagship showroom in Vancouver's burgeoning False Creek Flats is famous for its 50,000 square feet of diverse furnishings and accessories for living, dining, bedroom, office, or patio—ranging from rustic to modern and at every price point.

The cozy array of design ideas presented over three floors makes Moe's a fun place to spend an afternoon browsing and dreaming, with knowledgeable staff on hand when needed and plenty of stock to take home right away. Among

the international and Canadian lines, look for Moe's exclusive private label—from art to vases to coffee tables to pendant lights, the Samieian family seeks out the beautiful, functional, and unique, so their clients can create homes that are positively their own.

Moe's Home Collection 具有25年的歷史，創辦人Moe Samieian既獨特又優美與實用的品味讓您在旗艦店裡找到您日常生活中所需的一切家具用品。

L'ATELIER HOME

The edgy-quirky French-provincial-meets-modernism style that fills L'Atelier Home began as a passion project—Linda Levy, owner of the friendly Gastown boutique, loved finding neglected vintage furniture and recreating it into something plush, colourful, and entirely new. Today, those one-of-a-kind upcycled pieces form the foundation for a treasure-trove of design inspiration, including brassware, fine ceramics, select new furnishings, and more. On any day you might find a vintage Turkish rug, a golden pineapple tumbler, tropical succulents, or hand-etched teaspoons. Visitors will love the hand-poured homages to iconic local neighbour-

hoods from Vancouver Candle Co. (like fruity and tart Strathcona, or earthy and woodsy Point Grey), or the stylized wall prints from local artist Mowa. Ask about online ordering and shipping, too—the small studio stocks only a handful of the fun and enchanting items in L'Atelier Home's complete catalogue.

L' AtelierHome的精巧法式風格家具出自於創辦人對舊物翻新的熱情。每樣重新復活的家具都是獨一無二豐富多彩的重現。

ESPACE D.

The Danish word *hygge* contains the ideal for a home: it means cozy, happy, warm, and bright—the perfect place to gather with friends on a winter evening. The concept is the soul and genius behind Nordic design, and it is the binding theme at espace d., the eclectic and ever-changing home decor boutique curated by French interior designer Pierre Derreumaux.

Pronounced “ess-pass-day,” this minimalist, airy Gastown space is both a rotating gallery for original art and a showroom for the best imported design from Scandinavia: furnishings from Muuto, Normann Copenhagen, and Hay; tableware from Iitala and Ferm Living;

unique candlesticks from Finnsdottir; select mid-century rarities and more. Local accessories feature, too—look for them in the mix of exclusive, colourful, and functional pieces hand-chosen by Derreumaux for their craft, beauty, sustainability, and *hygge*-driven style.

丹麥文的hygge是espaced.的靈感來源也是完美的家的意思，它代表了舒適、開心、溫暖與亮麗。北歐式的家具在這裡齊聚一堂。

ZWADA HOME

Within Gastown's historic Victoria Block, Zwada Home is leading an ongoing exploration into the possibilities of custom residential design—and inviting you along in the journey. Don Zwarych and Kyo Sada founded the studio in 2007 out of a mutual love of design, art, and culture. With their individual, collaborative approach, Don and Kyo create spaces that truly reflect the people who live in them, whether it's with a simple refresh of a room or a total home renovation.

The store—featuring high-quality imported furniture, handcrafted custom pieces and home decor, as well as locally crafted art and pottery

to make a space feel personal—is a celebration of the timeless and the understated, and a starting point for new ways of thinking about your home.

Zwada Home的兩位創辦人共享對家與室內設計的熱愛。他們既提供私人室內設計服務也開了室內設計廊讓客人尋找屬於自己的獨特單品。

ABOUT GEM CITY GUIDE

Gem City Guide is Vancouver's best way to rediscover this city. The guide is produced annually by Arnaud Jolivet and Mathieu Koebel, principals of Joko Publishing Inc., who together have almost 40 years of experience in the luxury food and tourism industries across Europe, New York, Melbourne, and now in their new home of Vancouver. Founded in 2014, the guide brings a new model of city publishing to Canada, one that has been embraced in Europe for its success in connecting top businesses with the visitors and locals who want to discover more.

Each copy of Gem City Guide finds its way into the hands of up to 12,000 local VIPs, plus thousands more visitors, taste-makers, and style-seekers from across the globe. Our team of city editors is always on the hunt for more great places to feature in future editions, so contact us if you would like to find out how to get involved.
